LENES "STORMY PETREL" CALLED BY SAIL "NOTHER CARET'S CHUCKENE"

Bind of untiring wings.

Whence dost thou co.
Bird of deep mystery.

Where is thy home?

three or deep pretery
Where is the home?
On the brend ocean wave
How east they east the rest of the three three three three east three east three east three east three east three east to the or from the east of the east of the three east of the east of the east of three east of thr

And temperate Still on the crest
Of the billows you fly.

Bird of three elements—
Air, water, earth,
Where dost thou rear thy young?
Where hall their birth?

Rock in the sea.

Where human hand nor foot
Ever may be?

Dost thou from such lone spot Launch o'er the flood, Bringing along with thee Thy youthful brood?

Over the deep sea
Like thee to fly,
Like thee to bring their you
Flutter — and die? Bird of existence brief, Man is like thee,

Man is like thee,
Launching he knows not where,
O'er the wide sca.
Toss'd on the billows
Of Life's stormy wave.
Restless as then

Of Life's stormy wave
Restless as thou
Till he sinks in the grave
But not like thee, poor bird,
Never to rise—
Spon on the wings
Of the spirit he flies—

Soars through eternal space
Ransomed and blest,
Mounts to heaven's utmost height:
There is his rest.

FRANCER E. BRO MONTREAL, July 3rd, 1845. The Surplice Question

A vary pretty public stir
Is making, down at Exeter,
About the surplice fashion;
And many bitter words and rude
Have been bestowed upon the feud
And much unchristian passion.

following verse will show that the natives of the Emerald Isle are still famous for their witticism.

Paper, when told a ctove would save
Just Auf his usual fuel,
Replied, "Arrab then two Fil bave,
And save it all—my jewel."
