### ACCOMMODATION.

Upon arrival at Toronto, delegates will please call at the Ontario Government Immigration Office where they will be furnished with the names of hotels and private houses prepared to give accommodation at reasonable rates. This office is a short distance west of the Union Depot on the opposite side of the street.

The Members of the Provincial Fruit Growers' and Bee Keepers' Associations, as well as The Household Economics Association, Women's Canadian Club, Women's Medical Society, and other women's societies in the City, will be invited to attend the Thursday Session.

The Horticultural Exhibition will be found of great interest to Institute delegates, and we would advise those who reach the City early on Wednesday to spend two or three hours at the Exhibition before the Institute Convention opens.
