PREFACE.

THE PUBLISHER, in presenting his SEVENTH ANNUAL EDITION of the HAMILTON CLASSIFIED BUSINESS AND NIAGARA DISTRICT DIRECTORY, believes that the book will prove very useful to both Hamilton and country residents. The compiler having lived here for the past twenty-six years, and intimately knowing almost every business and professional man in the city, has been enabled to do thorough justice to all without fear or favor.

For strangers this book will be found an accurate and reliable business guide. The publisher returns his thanks to the advertisers and subscribers who have so liberally supported him, and hopes that every year the "Ambitious City" and the old Niagara District will grow in prosperity and importance.

City of Hamilton.

THE City of Hamilton has a population of 50,000, making it the second largest City in the Province of Ontario. It is beautifully situated at the head of Lake Ontario, on Hamilton (formerly Burlington) Bay, and has one of the finest harbors in the world. It is 40 miles from the City of Toronto, 45 from Niagara Falls on the Main Line of the Grand Trunk Railway, also the N. & N. W. Branch of the same road, running north, south, east and west out of the city. Besides this, trains for W. G. & B. and B. & T. Branches leave Hamilton each day. The Canadian Pacific and Michigan Central both run through Hamilton on the Toronto, Hamilton and Buffalo tracks, giving the City as good shipping facilities as any city on the Continent. The Hamilton and Dundas Railway, Hamilton and Grimsby Electric Railway, Radial Electric Railway and others in the course of construction and Hamilton Electric Street Railway along with a very fine line of steamers running between Hamilton and Toronto, making four round trips daily between the two cities all summer, make Hamilton one of the most pleasant places to live in to be found in the Dominion.

We have a number of large stove foundries, agricultural and wheel works, Air Brake works (the only one in Canada), steel, bridge, smelting works, rolling mills and nail works, etc.; in fact, Hamilton is known all over the world as the Birmingham of Canada. The principal streets and pavements are of Trinidad Asphalt. There are many lovely residences in all parts of the city; also two Incline Railways to carry farmers and others down and thousands of pleasure seekers up to the top of the mountain during the hot weather, from which a grand view of the city and surrounding country can be had.

The Public Buildings, such as the Court House, City Hall, Ontario Normal School, Market Hall, Post Office, Churches and Schools, also Public Parks, are as fine as can be had in the Dominion.

Our Markets are stocked with the choicest fruit and vegetables that can be grown; being situated as it is in the centre of the Fruit Garden of Canada. As many as four hundred farmers' wagons loaded with all kinds of produce are to be seen on many market days.

Altogether a more pleasant place to live could not be wished for. To all parties looking for a place to go in business, either in manufacturing, or mercantile line, visit Hamilton before you decide.

Hot Water Range Boiler

These Boilers are made of the best American Iron. Lap welded tubes, about $\frac{1}{4}$ of an inch thick, with heads screwed on top and bottom, and as there is no acid or galvanizing used in the construction of them, they will never rust out. There are no seams or rivets to leak like in the ordinary boiler. It is conceded by every one who has seen these boilers that they are far in advance of any other boiler yet produced,

being very neat and strong and will last a lifetime, they are tested to 400 lbs. pressure and are made in the standard sizes, 30, 35 and 40 gals.; other sizes made when ordered. These Boilers will outlast any two copper boilers and are considerably less in price, but are a little higher than the galvanized boiler.

NORTH AMERICAN LIFE ASSURANCE CO.

*The Sheriff of Wentworth County
furnishes the following letter, which is
of great importance to all intending
insurers :*

15 YEARS' INSURANCE COMBINED WITH A 4½ PER CENT. INVESTMENT.

TO THE NORTH AMERICAN LIFE ASSURANCE CO.,
TORONTO.

GENTLEMEN,—I am to-day in receipt of a cheque for \$1,564.96, in payment of my \$1,000.00 Fifteen Year Investment Endowment Policy, with accumulated profits for fifteen years.

The fact that my policy has been increased by more than 50 per cent. of its face value, and that I have been returned all my premiums, with slightly over 4½ per cent. compound interest, and, in addition, had the benefit of protection of insurance for fifteen years for \$1,000.00, is most tangible evidence of the surplus earning capacity of your Company.

It is especially pleasing to me to have had the choice of several options in dealing with my policy at its maturity, any one of which could not be considered otherwise than satisfactory.

Yours very truly,

JNO. W. MURTON,

Hamilton, Dec. 4th, 1896.

Sheriff.
